

UMKC Benefits Summary

1. **Professional Liability Coverage:** Resident will be provided professional liability coverage through the Truman Medical Center Professional and General Liability Self-Insurance Trust. The Trust provides limits of \$1,000,000 per occurrence/\$6,000,000 annual program aggregate, for residents. The professional liability coverage is provided per occurrence for medical care delivered as part of the required training program.
2. **Vacation:** Twenty-one (21) calendar days of paid vacation is provided during each year of service without accumulation from year to year. The amount is prorated for residents with a less than one-year resident agreement. Vacation is to be taken at a time approved by the Resident's Program Director. Residents shall not be eligible to take his/her earned vacation during the time he/she is scheduled for Emergency Room duty. When the Resident completes his/her program, resigns, or contract is not renewed, remaining vacation days will not be paid out. You can view the GME Leave of Absence P
3. **Sick Leave:** Residents earn sick leave at the rate of one (1) day per month for each consecutive month of employment, time shall be cumulative to a maximum of seventy-two (72) days with pay for absence due to illness certified by their Program Director. When the Resident completes his/her program, resigns, or contract is not renewed, remaining sick days will not be paid out. Upon second year of employment, Resident may be eligible for other leave benefits under the Family Medical Leave Act. In the event of prolonged absence due to illness or disability, Resident's Program Director will determine whether or not make-up service and education are necessary in order to certify credit for the residency year. Depending on individual program requirements, taking paid sick leave could extend program.
4. **Medical Insurance:** UMKC offers two options for medical coverage, the [Healthy Savings Plan](#) and the [Preferred Provider Organization \(PPO\) Plan](#). The University contributes about two-thirds the cost of coverage. The Resident's individual cost depends on the plan option chosen and the number of family members covered. Residents are eligible for coverage on their first day of employment.
 - **Wellness Incentives:** Earn rewards for education and investing in your wellness.
 - **Tobacco Free Discount:** Discount of \$50 month is offered for active employees who certify they are tobacco free or in a cessation program. Tobacco free means that the employee and all dependents covered by a university medical plan have been tobacco free starting at least three months prior to January 1, and will continue to be free from the use of tobacco products through the calendar year.
 - **Healthy Savings Account:** Resident who enroll in the Healthy Savings Plan are enrolled in a healthy savings account. The University contributes a portion

to this account based on when you enroll and the type of plan you are enrolled in (self, self & spouse, etc).

5. **Dental & Vision Benefits Program:** Delta Dental is the administrator for the University of Missouri System's Dental Plan. VSP Vision Care is the administrator for the University of Missouri System vision plan. Both plans are available to medical residents. Total cost depends upon the individual or family coverage options chosen by the Resident
6. **Long Term Disability Program:** The University of Missouri System offers this program to provide replacement income due to disability. The University pays 100% for the core plan. You may increase the coverage at a cost to you.
7. **Accidental Death & Dismemberment Program:** Accidental Death and Dismemberment insurance is 100% employee-paid. Coverage is available in increments of \$25,000 up to a maximum of \$150,000. You may also purchase coverage for dependents at a percentage of your own coverage.
8. **Life Insurance Program:** The University pays the basic life, option A plan at 100%. You may take additional coverage for yourself or your dependents if you desire.
9. **Flexible Spending Accounts:** A flexible spending account (FSA) is a tax-free account that allows you to pay for essential expenses. By contributing a portion of your paycheck to an FSA on a pre-tax basis, you save on the cost of eligible expenses you are already incurring. There are two types:
 - Health Care FSA -- Use tax-free savings to pay for health care expenses that are not covered, or partially covered, by your medical, dental, and vision insurance plans. This is not available to residents who are enrolled in the Healthy Savings Plan as they have access to a Health Savings Account)
 - Dependent Care FSA -- Tax-free savings can help you pay for child/dependent care expenses.
10. **Voluntary Retirement Plan.** Residents are eligible for the Voluntary Retirement Plan. He/she may authorize the University to set aside a percent of salary to a 403(b) or 457(b) account. .
11. **Employee Assistant Program (EAP)** is a confidential, professional service provided to all employees, their families, retirees and organizational work units. The EAP provides a variety of services to help employees influenced by a range of personal concerns or stressors. The EAP also assists work units and the larger organization to improve quality and productivity.
12. **Discounts:** As a University employee, there are several discounts programs you are eligible to participate in. Information on these programs are below.
