Department of Psychiatry Journal Club

Day/ time: Mondays; 12:00Noon to 1:00PM

Goal: Critical reading and analysis of recent Journal Articles

Each presenter will prepare 6 discussion questions that are designed to encourage thinking about a concept or issue, to be distributed with the article.

Presentation format:

1. Summarize article, but try not to answer discussion questions
2. Lead discussion of Questions.
3. The presenter should conclude with a “take-away” point or summary.
