

Miami University - Oxford

Catalog Year	
Reviewed	Accepted

Anatomy with Lab (Human Preferred)

KNH 244 + KNH 244L	Functional Anatomy + Functional Anatomy Lab	2014-2015	Yes
--------------------	---------------------------------------------	-----------	-----

Biochemistry (Upper-Level)

CHM 432	Fundamentals of Biochemistry	2014-2015	Yes
---------	------------------------------	-----------	-----

CHEM 332	Outlines of Biochemistry	2017-2018	NO
----------	--------------------------	-----------	----

General Biology with Lab

ZOO 115	Biological Concepts: Ecology, Evolution, Genetics, and Diversity (with Lab)	2010-2011	Yes
---------	-----------------------------------------------------------------------------	-----------	-----

General Chemistry with Lab

CHM 141 + CHM 144	College Chemistry + College Chemistry Laboratory	2009-2010	Yes
-------------------	--------------------------------------------------	-----------	-----

CHM 142 + CHM 145	College Chemistry + College Chemistry Laboratory	2009-2010	Yes
-------------------	--------------------------------------------------	-----------	-----

Medical Terminology

KNH 209	Medical Terminology	2013-2014	Yes
---------	---------------------	-----------	-----

Microbiology with Lab

MBI 201	Microbiology with Laboratory	2015-2016	Yes
---------	------------------------------	-----------	-----

Organic Chemistry with Lab

CHM 241 + CHM 244	Organic Chemistry + Organic Chemistry Lab	2009-2010	Yes
-------------------	-------------------------------------------	-----------	-----

Physiology with Lab

ZOO 305	Human Physiology (with Lab)	2010-2011	Yes
---------	-----------------------------	-----------	-----

BIO 161	Principles of Human Physiology (with Lab)	2013-2014	Yes
---------	-------------------------------------------	-----------	-----

Statistics

STA 261	Statistics	2011-2012	Yes
---------	------------	-----------	-----
