Instructions for International Medical Graduate Temporary License Application

A temporary license allows a physician to practice in approved hospital training programs as an intern, resident or fellow. This application should be submitted by the hospital.

Your Application Packet Consists of:

- These instructions;
- Postgraduate Reference Form;
- Verification of Licensure Form;
- Application;
- Verification of Hospital Affiliation Form;
- Original Documents Form (International graduates only).

Prior to completing the application, you should read the statutes and rules governing physicians in the State of Missouri. These are located on our website at http://pr.mo.gov/healingarts-rules-statutes.asp.

GENERAL INFORMATION

All temporary licenses expire on June 30. Please remember this date so you can allow time for your renewal to be processed if needed. If your license expires, you cannot practice until your renewal is granted.

In addition to the materials you are required to submit, the Board makes independent inquiries into your background. You should allow a minimum of 30 days for the processing of your application once the Board has received all documents. Additionally, the Board can request that you appear before them prior to issuing your license.

FEES

The fee for a temporary license is $30. Please make checks payable to the **Missouri Board of Healing Arts.** No application will be processed until the fee is received. The Board cannot accept credit or debit cards for payment.
