2019 NHSC Scholarship Program

Accepting applications through Thursday, May 16, 7:30 p.m. ET

[Apply Now](#)

Today, the National Health Service Corps (NHSC) released the 2019 Application and Program Guidance for the [NHSC Scholarship Program](#).

The NHSC Scholarship Program provides scholarships to health profession students pursuing careers as primary care providers in exchange for their commitment to serve in high-need, underserved communities. The scholarship includes tax-free payment of tuition, required fees, other reasonable educational costs, and a taxable monthly living stipend.

After completion of graduation/training, recipients fulfill their service commitment at one of more than 16,000 NHSC-approved sites throughout the nation and its territories. Each scholar serves for a minimum of two years and receives one year of financial support (up to four years) for each year of service at an NHSC-approved site found on the [Health Workforce Connector](#).

Eligibility

Eligibility includes:

1. U.S. Citizen (either U.S. born or naturalized) or U.S. National
2. Enrolled or accepted for enrollment as a full-time student
3. Attending or accepted to attend an accredited school
4. Located in a state, the District of Columbia, or a U.S. territory
5. Eligible for federal employment
6. Not have an existing service obligation
7. Submit a complete application

Travel Scholarship

If yo

One of our main goals at CureGear is to provide individuals with resources to promote science-based medicine and public health.

That's why we've created a travel scholarship! If you're passionate about science, healthcare, and/or public health, we want to provide you with the opportunity to connect with others and promote your work.

What is this?

A call for applications to receive a \$500 travel scholarship to a meeting/conference of your choice!

Wait, \$500? What's the catch?

THERE IS NO CATCH. We want to give individuals who are passionate about science-based research and public health the opportunity to share their research or work on health advocacy with others.

That's great, who's eligible?

Any individual involved in science and/or healthcare fields that will be attending a meeting/conference with the intention of promoting health advocacy. Priority will be given to undergraduate and graduate level students.

That's me, how do I apply?!

Fill out the application below

Award winners will be notified by June 5, 2019

Announcements Format

Policy for In the Know Announcement Submissions

- 1) All flyer/image submissions **must be in JPG format** (if the announcement is a flyer). PDF and Word documents must be converted to JPG before being emailed to shahmohammadin@umkc.edu. **A TEXT summary of the information in the flyer must also be included along with the flyer. This is to ensure that our In the Know emails are ADA compliant and readable by the visually impaired.**
- 2) If the announcement is a **text only announcement, please include it in the body of your email.** Please use black font only and include a title for your announcement such as “Emergency Medicine Interest Group”. Make sure to include a contact person and email.
- 3) If an announcement includes incorrect information (such as an incorrect date or time), and that week’s In the Know has already been sent out, **a revision for your specific announcement will not be sent out to the school.** The only time a correction email will be sent out is if the error is on the part of Student Affairs (mistyped or forgot to include an announcement). Submissions which do not meet the requirements **will be returned to sender** requesting the appropriate edits. The announcement may then be resubmitted to shahmohammadin@umkc.edu for inclusion in the In the Know.
- 4) To be included in the following Monday’s “In the Know”, announcements **must be submitted by 5PM the prior Thursday.**

To submit information for the next Student Affairs Weekly Announcement, send an email to Niloofar Shahmohammadi at shahmohammadin@umkc.edu.
