

UMKC School of Medicine

Graduation at Kauffman Stadium

With some help from COVID-19 vaccines and the Kansas City Royals, the School of Medicine and the rest of UMKC were able to hold in-person graduation ceremonies for 2021 and 2020 graduates. The health sciences schools' ceremony included remarks from Mario Castro (above), M.D. '88, the winner of this year's Take Wing Award.

Anniversary plans

We have much to celebrate, and much to look forward to, at the midpoint of our first century.
