

You're invited to a
moment of silence
in honor of
National Physician Suicide Awareness Day

September 17, 2025
12:15 p.m.

Holmes Office Center
2220 Holmes (Corner of 23rd and Holmes)
Kansas City, MO 64108
Outdoor/some coverage

No RSVP needed
Lunch provided for the first 75 attendees courtesy of UMKC.

Join us in uniting the community and the surrounding KC hospitals as we honor the mental health challenges that health care providers bravely face every day. Let's work together to break the stigma and champion the development of resources that support their wellbeing. Together, we can create a culture of compassion and resilience, ensuring that those who care for us receive the care they deserve.

350+
physicians
die by suicide
each year

2x
physicians die by
suicide at twice the
rate of the general
population

29%
depression rate
among medical
residents

350+%
higher rate of suicide deaths
among female physicians
compared to females in
other professions
