November 2, 2020

To our Lakewood Providers and Staff,

The Independence Examiner's Best of Eastern Jackson County 2020 Reader's Choice Awards were revealed on Saturday, October 31.

I am proud to announce that six of our clinics received first place awards! The hospital and two clinics received honorable mention.

This recognition is grass-roots driven, and particularly special during such a challenging year. That speaks highly of our commitment to service and quality initiatives.

Congratulations to the entire Lakewood team!

Lynette Wheeler
