

Dominic J. Wu, MD, FAAD

9301 W 74th Street, Suite 230, Shawnee Mission, Kansas

T: (816) 584-8100 | F: (816) 584-8106

EDUCATION & TRAINING

Brown University, Providence RI

Bachelor of Science (Sc.B.) in Human Biology, Graduated with Honors May 2012

Brown University Alpert Medical School, Providence RI

Medical Doctor (M.D.), Graduated May 2016

Tufts University Family Medicine Residency at Cambridge Health Alliance, Boston, MA

Residency program (Tufts and Harvard Medical School Affiliated Hospitals), June 2016 – June 2019

- **Chief Resident Physician**, elected by faculty and peers 2018 – 2019
- Board certification: Family Medicine (American Board of Family Medicine) 2019 – present

University of Kansas Dermatology Residency, Kansas City, KS

Residency program, June 2019 – June 2022

- **Chief Resident Physician**, July 2021 – June 2022

BOARD CERTIFICATIONS

American Board of Dermatology

American Board of Family Medicine

CLINICAL TEACHING POSITIONS

Clinical Assistant Professor, University of Missouri Kansas City 2023 – present

Clinical Associate, Harvard Medical School 2016 – 2019

Clinical Instructor, Tufts University School of Medicine 2018 – 2019

Clinical Associate, Tufts University School of Medicine 2016 – 2018

AWARDS AND MEDICAL & SCIENTIFIC SOCIETIES

- **Alpha Omega Alpha Honorary Medical Society (AOA)** elected member 2016
- **Residents as Teachers Fellow** (University of Kansas) awarded June 2020
- **American Academy of Dermatology** member (current)
- **American Academy of Family Physicians** member (current)
- **CHA CEO CLER Grant in Clinical Innovation** Recipient 2017
- **AAFP Family Medicine Leads Scholarship** Recipient 2015
- **George W. Hagy Prize in Human Biology** (Brown University) May 2012
- **Sigma Xi Scientific Honorary Research Society** (Brown University) elected member 2012

BOARD AND LEADERSHIP POSITIONS

Member of the Board of Directors, Kansas City Repertory Theatre

June 2022 - Present

Contributing Editor, Harvard Health, Harvard Health Publishing

August 2016 – Present

- Author and contributing editor at Harvard Health – published works available <https://www.health.harvard.edu/blog/author/domwu>

Resident Editor, DermQBANK

August 2020 – August 2022

- Contributor and resident editor for the comprehensive dermatology board review collective used by dermatology residents in the United States

Practice Improvement Team (PIT), Resident Leader, Boston MA

May 2017 - May 2018

- Led interdisciplinary practice improvement team

- Worked with central hospital and clinic leadership, medical assistants, front desk staff, and nursing staff to improve clinic efficiency and patient care outcomes
- Designed and implemented novel clinic workflow with the Institute of Healthcare Improvement and LEAN theory models

National Bone Marrow Registry, Campus Coordinator February 2013 – Fall 2014

- Coordinated bone marrow registration and Rhode Island Blood Center blood donation drives at Brown University

Brown Vision Initiative/Ophthalmology Interest Group, Board Member March 2013 – Fall 2014

- Coordinated visual acuity and glaucoma screening at the Rhode Island Free Clinic and volunteer training

American Cancer Society – Relay for Life, Planning Committee Fall 2011 – Spring 2012

- Coordinated recruitment and publicity efforts for Relay for Life fundraising event for cancer research in the Spring of 2012 with over 500 participants

Brown University Advising, Meiklejohn & Residential Counselor Fall 2009 – Spring 2011

- *Meiklejohn Peer Advising* - Advised first-year students in the Program in Liberal Medical Education (PLME) in matters of academics and social life
- *Minority Peer Counselor* – Advised first-year students, mediated conflicts in minority-related issues on campus, and led discussions on topics including race, gender, sexual orientation, socioeconomic status, religion, etc.
- *summer@Brown Residential Advisor* – advised high school students during the Brown University summer program, and coordinated social activities

U Laskowski-Kos, E Goldberg, **Dominic Wu**, J Gutierrez, A Bilderback MS, S Okelo, A Garro. “Using the Pediatric Asthma Control and Communication Instrument (PACCI) to Compare Objective and Subjective Parent Perceptions of Asthma Morbidity in the Emergency Department and Ambulatory Settings.” (Presented at the Pediatric Academic Societies Conference February 2012)

Dominic Wu, Aris Garro, Julianne Ip. "Barriers in US Emergency Health Care: Disconnects in Physician and Patient Expectations." (Presented at Brown University Public Health forum April 2012)

OTHER RESEARCH

Tele-Dermatology Chart Review Project, Co-Investigator July 2018 – June 2019

Principal Investigator: Robert Stavert, MD

- Conducted retrospective chart review analyzing tele-dermatology consultation service from primary care physicians to dermatologists within Cambridge Health Alliance between 2014-2018.

Brown University Dermatology Department, Co-Investigator July 2018 – Dec 2018

Principal Investigator: John Kawaoka, MD

- Co-author for review manuscript on wilderness dermatology including phytodermatoses, sun exposure, and arthropod bites and associated diseases. Manuscript in process.

Rhode Island Hospital/Hasbro Children's Hospital, Research Coordinator/Assistant June 2011 – May 2016

Principal Investigator: Aris Garro, MD

- Coordinated study regarding adherence to medical advice and inhaled corticosteroid use after an emergency department visit for asthma
- Conducted interviews with patients and attending physicians in the ED to evaluate the use of the Pediatric Asthma Control & Communication Instrument (PACCI) for asthma control classification and help guide medical management.

Brown University/Hasbro Children's Hospital, Co-investigator March 2011 – May 2012

Mentors: Aris Garro, MD, Julianne Ip, MD

- Conducted Bachelor of Science thesis research to assess expectations of patient-physician partnerships in the Emergency Department and how this may affect patient satisfaction

Brown University, Independent Study April 2011 – May 2012

Principal Investigator: Christine M. Janis, PhD

- Analyzed the ecomorphology and predatory behavior of the extinct Thylacine via comparative vertebrate anatomy using digital caliper measurements of forelimb bones of specimens from Harvard University's Museum of Comparative Zoology and the American Museum of Natural History in New York

MEDICAL EDUCATION/TEACHING

Residents as Teachers Fellow, Kansas City, KS June 2019 – June 2020

- Formalized training for faculty-elected resident physicians on how to be more effective instructors in academia and as faculty

Dermoscopy Curriculum for Resident Physicians, Boston MA June 2017 – June 2019

- Developed and helped teach a novel curriculum for Dermatology and Family Medicine residents in basic dermoscopy using the Triage Amalgamated Dermoscopy Algorithm (TADA)

Dermatology Residency Conferences, Kansas City, KS June 2019 – Present

- Dermoscopy training for Dermatology residents, September 2020
- Tumor Syndromes in Dermatology, September 2020
- Amyloidosis, August 2020
- Pharmacology of Corticosteroids, May 2020
- Inherited Connective Tissue Diseases, November 2019

LGBTQ Patient Care Curriculum, Boston MA August 2016 – June 2019

- Initiated a LGBTQ-specific care needs assessment and novel training with residents, faculty, and clinic staff
- Developed all-inclusive diversity patient care logo for Cambridge Health Alliance hospital system

FM Residency/Medical Student Conferences, Boston MA

August. 2016 – June 2019

- Gender Identity and Sexual Orientation Introduction. Harvard/Tufts medical students didactics April 2018.
- Dermatologic Procedure Basics. Resident and medical assistant training. March 2018.
- Dermatologic Complaints in Primary Care. Residency topic conference December 2017.
- Musculoskeletal exam didactic: Shoulder pathology. Tufts medical students didactics November 2017.
- Rectal pain and hemorrhoids. Harvard medical students didactics October 2017.

Ophthalmology Preclinical Elective, Course Designer and Coordinator

Fall 2013 – May 2016

- Designed a preclinical course for medical students at Brown University seeking additional exposure to ophthalmology and ophthalmic surgery with online didactic modules on common ophthalmic conditions seen in primary care, virtual surgery simulation, and shadowing experiences in the OR and clinic

Brown University – Various Courses, Teaching Assistant

- “*So You Think You Want to Be A Doctor*” (instructor: Stephen Smith, MD) *Summer 2013*
- “*Comparative Anatomy*” (instructor: Christine M. Janis, PhD) *Spring 2012*
- “*DNA-Based Biotechnology*” (instructor: Jody Hall) *Summer 2011*
- “*Vertebrate Embryology*” (instructor: Marjorie Thompson, PhD) *Spring 2011*
